Please can current students bring along this terms toy soldiers/ elf/ santa's and other Young at Art students bring along a piece or artwork/creation they would like to show off in the parade or carry a paint brush and palette.

We welcome adult participation if you would like to join us in the parade (we need a certain number of adults to children ratio so assistance would be gratefully received). Preschoolers are welcome to attend **only** if a parent/caregiver is in attendance and part of the parade. Please sunscreen your child before arrival.
